

JTS Johanson Transportation Service

EXPEDITED SOLUTIONS

Friendly, experienced, reliable logistics.

Put wheels and wings on your urgent shipments.

When longer transit times and limited capacity across all modes is keeping your supply chain in a choke hold, JTS is here to provide capacity with expedited freight services. If your shipping demands require a faster pace, let us help you get it there quickly across the U.S. and Canada.

Customized, expedited options on wheels.

Trained and pre-qualified drivers/team drivers will move your dry or perishable freight. Depending on your volume, JTS offers these expedited options:

- Cargo Vans (1–3 pallets or small volumes)
- Sprinter Vans (3–4 standard pallets)
- Box Trucks (6–8 standard pallets)
- Straight Trucks (10–14 standard pallets)
- Tractor Trailers (full/partial truckload)
- Hot Shots (1-20 pallets)

Give your freight wings.

If your freight has a limited shelf life or is time-critical, JTS offers Air Freight and Air Freight Charters. Just choose your speed – get it there the same day, next day, or next flight out.
