RAIL INTERMODAL SOLUTIONS

Friendly, experienced, reliable logistics.

We keep your freight moving on the right track.

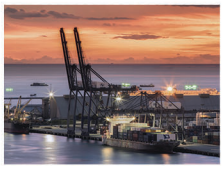
When shipping finished goods or raw material around the country, turn to JTS for extensive, flexible transportation solutions. JTS has strategic alliances with the most credible intermodal, rail, ocean, and drayage companies and is a member of the Intermodal Association of North America (IANA).

- Closely monitor pick-ups and convey loading instructions.
- Competitive pricing.

Rail Intermodal equipment.

- Intermodal freight transportation involves loading freight in a secure container and moving it via truck and rail.
- Rail intermodal benefits include:

Reduced handling, more security, less risk of damage, potential for savings compared to traditional OTR, and the fastest unencumbered transit schedules.



- Transit times are consistent:
  - 8 to 10 days coast-to coast.
  - 5 to 7 days West Coast to Midwest.
- Door-to-door services and access to all major ports, rail ramps and consumer markets in North America, including some points in Canada and Mexico.
- JTS partners with numerous transportation providers to utilize tens of thousands of available rail and asset carrier-owned equipment:
  - 43,500 pounds or less.
  - 53-foot dry stacktrain containers nationwide.
  - 40' ISO boxes for westbound service only.
  - Dry containers are mainly used, but temperature-controlled boxes are popular and available in certain lanes.
